

Amy Lim

Updated February 25, 2026

Email: amy.lim@emory.edu

Office: 1516 Clifton Road, NE, Atlanta GA 30322

Phone: (415) 606-0308

Citizenship: USA

Research Interests Labor Economics, Economics of Education, Industrial Organization, Childcare Policy

Education **Emory University** Atlanta, GA
PhD in Economics Expected May 2026
Committee: Maggie Jones (Co-chair), Matthew Grennan (Co-chair), Chris Hansman, Julie Hotchkiss, Jillian Grennan

Mount Holyoke College South Hadley, MA
BA in Economics (*Cum Laude* with High Honors) May 2018

Working Papers **The Effects of Stricter Licensing on Residential Childcare Supply in Georgia**
Examines the impact of Georgia's 2009 Family Child Care Home licensing reform on provider entry, market supply, and local unemployment. Finds that stricter licensing requirements reduced new provider openings and generated localized employment effects.

The Consumer Value of Childcare Quality Ratings
Estimates childcare demand using a nested-logit model to study how QRIS ratings influence parental choice. Demonstrates that transparent quality information drives enrollment toward higher-rated providers and that expanding rating coverage produces the largest gains in consumer surplus, particularly where alternative information is scarce.

Research **2025:** Atlanta Graduate Student Symposium, Mount Holyoke College Economics Research Symposium
Presentations

2024: Atlanta Workshop on Public Policy and Child Well-being, Association for Public Policy Analysis and Management Fall Research Conference, Southern Economic Association 94th Annual Meeting

Research Experience	GA Dept. of Early Care and Learning (DECAL) Spring & Summer 2025 <i>Research Analyst</i> Constructed longitudinal provider-level database integrating enrollment, subsidy, and QRIS data for policy impact evaluation. Designed natural language processing pipelines to extract structured information from thousands of historical licensing and compliance reports, converting unstructured text into quantitative measures of quality and staffing.
	Census RDC, Federal Reserve Bank of Atlanta 2022–Present <i>Research Assistant</i> Granted Special Sworn Status by the U.S. Census Bureau to support empirical research using restricted-access data. Assist faculty and researchers on projects spanning economic history to contemporary labor market analysis. Extract, clean, and link large restricted-use datasets including ACS, CPS, LEHD, and business microdata while adhering to Census Bureau confidentiality protocols and disclosure avoidance procedures.
Teaching Experience	Instructor, Department of Economics, Emory University ECON 101 — Principles of Microeconomics Spring 2025 Teaching Assistant, Emory University ECON 220 — Econometrics 2022–Present
	Analyst and Programmer, Mission Analytics Group, Inc. 2018–2021 Conducted quantitative policy research on paid family leave, COVID-19 impacts, after-school program effectiveness, healthcare network adequacy, and early childhood education. Developed data pipelines and created data visualizations for policy analysis and reporting.
Skills	Programming: Stata, Python, R, SQL, ArcGIS, SAS, LaTeX Methods: Large-scale data cleaning, natural language processing for text extraction, causal inference methods, structural demand estimation Languages: English (native speaker), Cantonese (near-native), Mandarin (conversational)
Professional Service	Reviewer: Demography, Education Economics
	Mentorship: First-Year PhD Student Mentor Fall 2022–Spring 2023
	Service: Applied Microeconomics Student Reading Group Fall 2023
	Organizer: Atlanta Graduate Student Symposium Summer 2025
